

## MUSTARDS — KITCHEN TABLE RESERVATION POLICY 11/15/2025

### The Kitchen Table is the only reservable table at Mustards.

All other seating is first-come, first-served.

The Kitchen Table accommodates **8–10 guests** and is prepared in advance for your group. The reservation applies only to this table, and we cannot add seats, accommodate unseated guests, or extend the party to other tables or areas.

**Reservations must be made at least 24 hours in advance** and are accepted on a first-come basis.

**All reservations must be reviewed and approved by Mustards before they are considered confirmed.**

A **\$200 minimum spend** is required, collected upfront as a **non-refundable Mustards Gift Card**.

The gift card may be used toward your party's food and drinks or saved for a future visit.

Standard reservations are for **two hours**.

Additional time may be arranged in advance depending on availability.

### Early seating is not available for any time slot.

If your reservation begins at 11:00 AM, please note that our doors also open at 11:00 AM, and early entry cannot be accommodated.

**Outside food and drinks are not permitted.**

## Cancellations & Gift Card Policy

Cancellations should be made **at least 24 hours in advance**.

- If cancellation is made **with 24 hours' notice**, the reservation is released.
- The **\$200 gift card is still yours**, and may be used for any future food or drink purchases at Mustards, including applying it toward rescheduling the reservation.
- If cancellation is made **without 24 hours' notice**, the gift card **cannot** be applied toward a new reservation date. It remains valid for food and drink purchases, but not for rebooking the Kitchen Table.
